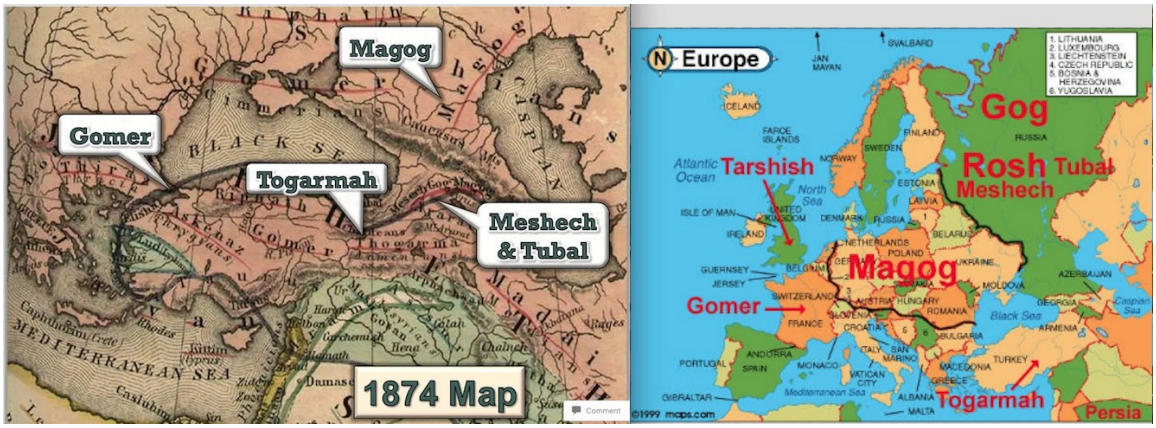
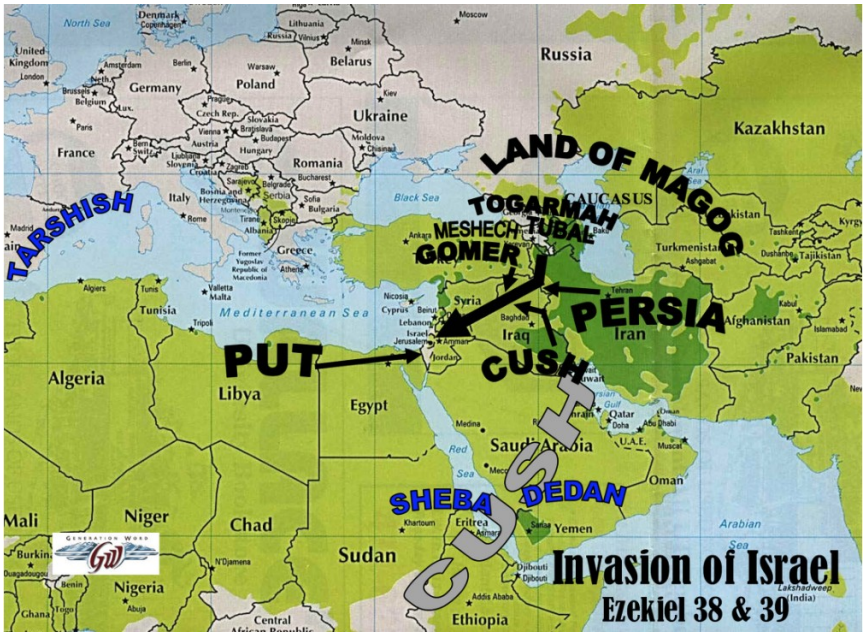
These are the ASHKENAZI ZIONIST KHAZARIAN NWO DEEP STATE NATIONS That will go against Israel soon if we are entering the Gog Mago aka WW3 war.

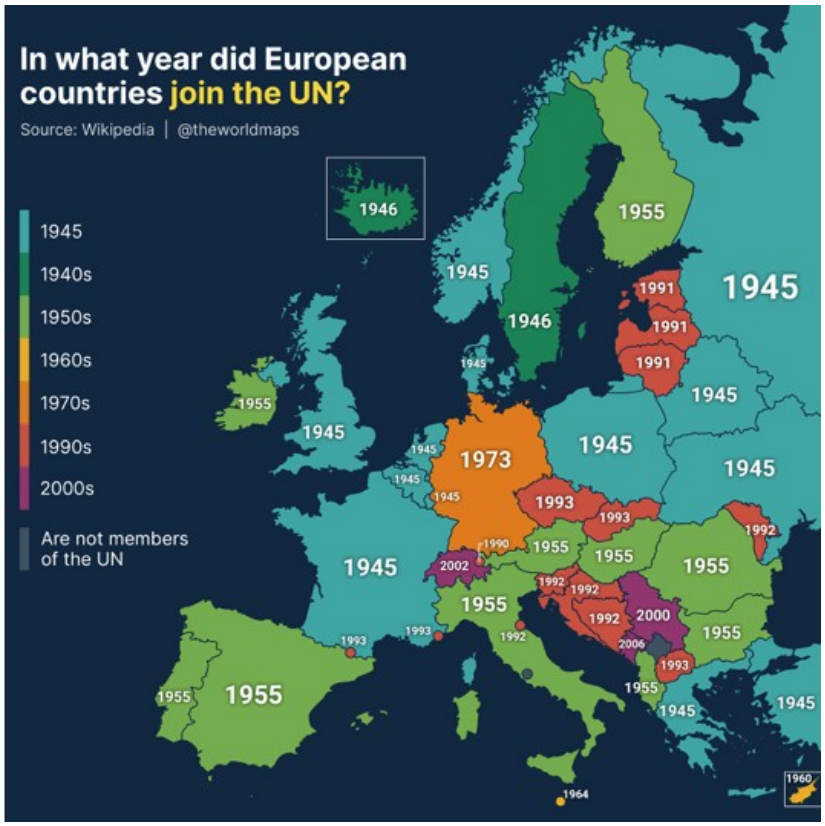


The ASHKENAZI ZIONIST KHAZARIAN NWO DEEP STATE NATIONS CAME FROM TURKISH NATIONS AND KHAZARIA



Middle East Nations that will attack Israel soon

European Nations will attack Israel soon



Notice that Gomer is the Ukraine not Russia

I also repeat myself. Read my articles. If this is the beginning of the Gog Magog War aka WW3 then the EU, Germany, Ukraine and Europe will become embroiled in this war. Europe needs oil. As I listen everyday to Steve Turley and Steve Gardner this war does not seem to be ending anytime soon.

The Middle East is rerouting it's oil ships to meet the demand while the Middle East is telling Trump to FINNISH THE JOB to take out all of Iran's weapons of mass destruction potential for years to come. Israel is out of line right now with the actions NetanYAHOO has taken to destroy oil fields and Trump is mad. The Middle East is pointing fingers at Israel and so is Trump. Watch as the direction starts to turn on Israel.

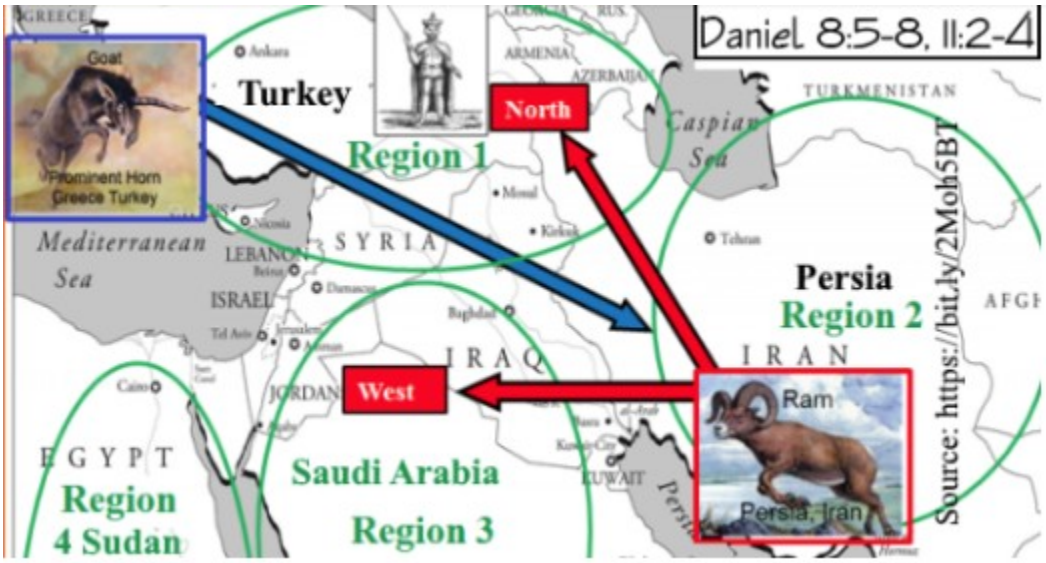
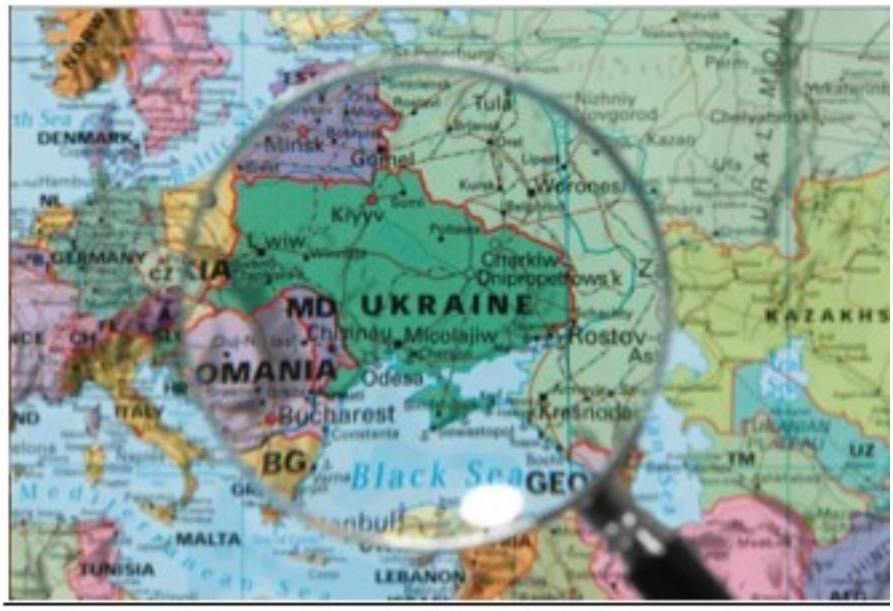
Israel, out of anger for what has taken place in the Middle East, has violently lashed out at a major facility known as South Pars Gas Field in Iran. A relatively small section of the whole has been hit. The United States knew nothing about this particular attack, and the country of Qatar was in no way, shape, or form, involved with it, nor did it have any idea that it was going to happen. Unfortunately, Iran did not know this, or any of the pertinent facts pertaining to the South Pars attack, and unjustifiably and unfairly attacked a portion of Qatar's LNG Gas facility. NO MORE ATTACKS WILL BE MADE BY ISRAEL pertaining to this extremely important and valuable South Pars Field unless Iran unwisely decides to attack a very innocent, in this case, Qatar - In which instance the United States of America, with or without the help or consent of Israel, will massively blow up the entirety of the South Pars Gas Field at an amount of strength and power that Iran has never seen or witnessed before. I do not want to authorize this level of violence and destruction because of the long term implications that it will have on the future of Iran, but if Qatar's LNG is again attacked, I will not hesitate to do so. Thank you for your attention to this matter. President DONALD J. TRUMP

This WAR seems to be the war that was prophetically warned about in End of the Ages prophecies. It is a war that that is being instigated, from behind the scenes by Satanic forces according to prophecy. (Satan runs a fleet of aliens today known as the Fallen Elohim Watchers in the Bible or as "the Nordic's." for those who encounter them today. Like it or not, believe it or not it's true. Eyewitness who have had encounters are all over the place.



All ancient cultures warned about this evil age we live in today in their prophecies. In this prophetic scenario Trump appears to be the ONE HORNED RAM that crosses over the ocean to attack Iran (the horned Ram). The symbol of the Goat goes back to Greece, which was a democratic society.
Trump is trying to save America and the World as America is the world military might in prophecy. The Middle East players are behind Trump but are also turning on Israel right now.

Canada and Europe are being run by the ASHKENAZI ZIONIST KHAZARIAN NWO DEEP STATE NATIONS, the JROCCC and the Monarchy. They are basically BUTTERFLY COLLECTORS right now, without a net.



It looks like Ukraine, which was the land the ASHKENAZI ZIONIST KHAZARIAN NWO DEEP STATE MIGRATED INTO AND THROUGH FROM KHAZARIA originally. Zalinsky from the

Ukraine wants to enter the war today. The Domino's are lining up to attack Israel down the line.

PRITZKER REVEALS PROJECT 2029:

Illinois Governor Pritzker has laid out the Democrat roadmap for retaking power: a coordinated campaign called Project 2029 to criminally prosecute Trump administration officials through a weaponized DOJ & unleash Democrat-aligned NGOs to file civil suits designed to financially destroy Republican figures through damages & litigation costs.
